“Together We Can Make A Difference.”

## PTA Sponsorship & Partnership

Dear Falcon Cove Families:

On behalf of the PTA, we would like to welcome you and your child to a new and exciting year

As you have probably heard, Falcon Cove had a budget cut of \$1.3 million dollars this year. Dr. Kaplan and his staff have done wonders to try to minimize the impact that this shortfall will have in our children's education but they need our help more than ever.

Thanks to your generous donations, last year the PTA donated a new technology lab for our school so the children will have a place where to practice for the FCAT, complete school projects and complement lessons.

This year, our goal is to expand this lab with more resources, provide teachers with supplies and with anything else they need to help our children succeed.

We would like to invite your family or business to “*Partner*” with the PTA and help us bring even more programs and technology upgrades to our school.

Our goal has always been to be able to supplement any financial shortfall through our fundraising efforts and our Partners in Education program.

Attached to this letter, you will find a contribution form outlining the many wonderful sponsorship opportunities that are available. Each family or business participating in our program will be recognized in our Falcon Cove newsletter, our school and PTA website, and at the specific event sponsored. Contributions to our general fund would be much appreciated also. Since the Falcon Cove PTA is a 501c3 organization, a donation receipt would be gladly supplied.

I would be happy to discuss the **Partners in Education** program with you personally. On behalf of the students at Falcon Cove, we thank you in advance for your generous financial support of our school and programs and your contribution for the 2011-2012 school year.

Sincerely,

Falcon Cove PTA
